EXECUTIVE SUMMARY

Final-year Computer Science student and Full Stack Development intern with hands-on experience building responsive UIs, interactive web applications, and computer-vision-driven interfaces. Proficient in JavaScript, React, and modern frontend tooling, with a proven record of independently designing, building, and shipping production-quality projects end-to-end — from UI architecture to deployment and documentation. Comfortable working under senior engineering supervision, translating design specifications into functional components, and collaborating across full-stack features. Seeking to bring strong problem-solving ability, adaptability, and a fast-shipping mindset to a frontend or full-stack engineering role.

TECHNICAL SKILLS

- Programming Languages: JavaScript (ES6+), Python, HTML5, CSS3
- Frontend Frameworks & Libraries: React, Responsive/Mobile-first Design, Component-based UI Architecture
- Backend & ML: Flask, scikit-learn, REST API integration
- Tools & Platforms: Git, GitHub, Docker, Chrome Extension Development, Pyodide (in-browser Python runtime)
- Practices: ATS-friendly UI design, Version Control Workflows, Cross-browser Testing, Technical Documentation

SOFT SKILLS

- Communication & Team Collaboration
- Problem Solving
- Time Management
- Adaptability

PROFESSIONAL EXPERIENCE

NoviTech R&D Pvt. Ltd. — Coimbatore

July 2026

Role: Full Stack Development Intern

Responsibilities:

- Built and refined frontend interfaces across multiple internal project modules under senior engineering supervision.
- Collaborated on full-stack features, translating design requirements into functional, responsive UI components.
- Worked directly with senior engineers to align implementation with product and design specifications.
- Debugged and refactored existing UI code to improve consistency and maintainability across modules.
- Participated in code reviews and incorporated feedback to meet internal engineering standards.

Impact:

- Completed a one-month, ISO 9001:2015-certified internship in Full Stack Development, delivering functional UI components across multiple modules on schedule.

PROJECTS

Python Project Portfolio Website

- Built a responsive portfolio site showcasing 20 Python projects, integrating an in-browser Pyodide runtime for 14 live, interactive demos requiring no backend server.
- Designed clean, ATS-friendly project pages with consistent UI components, navigation, and cross-device responsiveness.
- Deployed and maintained the site independently, handling both frontend architecture and content structuring.

TruthLens — Fake News Detection System

- Developed the frontend and Chrome extension UI for a Flask + scikit-learn machine learning system trained on roughly 54,000 news articles.
- Packaged the application with Docker for consistent, portable deployment across environments.
- Delivered full technical documentation as part of the final-year project submission.

R.A.V.A.N.A. — AI Desktop Assistant

- Redesigned the assistant's UI with a glassmorphic interface, improving visual clarity and user experience.
- Refined the interaction flow end-to-end, including wake-word removal and voice-triggered shutdown for smoother hands-free control.

EDUCATION

B.Sc. Computer Science (Final Year), CGPA: 7.8/10

SRM Arts and Science College, University of Madras

HSC (Higher Secondary Certificate) — 77.6%

Sri Sankara Vidyalaya Matriculation Higher Secondary School

SSLC (Secondary School Leaving Certificate) — 73.6%

Sri Sankara Vidyalaya Matriculation Higher Secondary School

AWARDS & ACCOMPLISHMENTS

- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate — Oracle University (Feb 2026)
- Certificate of Completion, Full Stack Development Internship — NoviTech R&D Pvt. Ltd., ISO 9001:2015-certified (June–July 2026)
- Overview of English Language Communication — Naan Mudhalvan Scheme, Govt. of Tamil Nadu, conducted by Pearson India Education Services (Oct 2025)
- Web Development Fundamentals — IBM SkillsBuild (Aug 2025)
- Explorations into Mindfulness — IBM SkillsBuild (Apr 2026)

DECLARATION

I hereby declare that the information provided above is true and accurate to the best of my knowledge and belief.
